About the Friends of UNH Hockey

IN 1971 the Friends of UNH Hockey – the program's **official booster club** – was formed by a loyal group of fans with a mission: **to support, promote and enhance men's hockey at the University of New Hampshire.** As the success of Wildcat hockey has grown, from the days of legendary coach Charlie Holt to the 21st century with Dick Umile at the helm, so has the effort of the Friends.

With the assist of merchandise sales, the 50/50 raffle, the annual golf tournament and, most importantly, the generosity of our members, the Friends has been able to upgrade facilities and equipment **for a team that has brought recognition to the University, the region, and the entire state of New Hampshire.**

Fundraising efforts have also been focused on the future. With the creation of the Friends of UNH Hockey Endowment and support of the Charles E. Holt Endowment, the Friends have contributed to providing scholarships for men's hockey. Recent recipients include **Darren Haydar, Michael Ayers, Steve Saviano, and Matt Fornataro.**

"The Friends of UNH Hockey have made the 'difference' between UNH hockey and most other national competitors. Their long standing financial and moral support have helped take our program to the top of collegiate hockey. Without this support, UNH hockey could not compete among the elite. It is an enormous commitment that the university is very appreciative of. Furthermore the 'Friends' comprise the very core of our fan base and create an atmosphere at the Whitt that is second to none!"

—Marty Scarano, Athletics Director

About the Friends Golf Tournament

THE FIRST UNH HOCKEY GOLF TOURNAMENT was held in 1989. Charlie Holt's dream has evolved into a major fundraising vehicle for the hockey program. Former players, alumni and friends have raised over \$500K in the last 20 years with proceeds funding various projects and team enhancements. Dollars contributed to the endowments outlined above help fund hockey scholarships.

This year, we will continue contributions to the endowments and fund program enhancements deemed appropriate by the coaching staff and the Friends Board of Directors.

The success of the tournament depends not only on the entry fees paid by the golfers, but the loyalty and generosity of the tournament's sponsors.

We thank you for your past sponsorship and hope that you will continue to support UNH Hockey. If you have not been a sponsor, we invite you to come on board! Below are various levels of sponsorship along with respective benefits packages that we think are attractive to all.
